# THE HISTORY OF THE UNITED STATES OF AMERICA 1789-1876

BY JOHN P. HARRIS

THE HISTORY OF THE UNITED STATES OF AMERICA, 1789-1876, is a comprehensive and authoritative work, written by John P. Harris, a distinguished historian and professor of American History at the University of Chicago. The book covers the period from the signing of the Declaration of Independence in 1776 to the end of the Reconstruction era in 1876. It is a multi-volume work, with the first volume covering the period from 1776 to 1800, and the second volume covering the period from 1800 to 1876. The book is written in a clear and concise style, and is highly regarded for its accuracy and depth of research. It is a valuable resource for students and scholars of American history.
